

**JOB TITLE:** Draughtsperson

**LOCATION:** Dungannon, Co. Tyrone

**About Kiverco:**

At Kiverco we believe in a World where Recycling Plant recovers much more, much more accurately and for much longer. Kiverco is a premium brand business with an international reputation for making the World's Toughest Recycling Plant. We have been focused on making the World more sustainable for thirty years.

You will be joining the Company at an interesting time, as Kiverco has just secured some of our most exciting projects to date and we are in the process of launching a new line of revolutionary machinery.

Our Company has evolved over the years and its growth is a direct result of the hunger for creating new distinctive, bespoke, innovative products to help transform the World's waste. Our obsessive behaviour to constantly evolve our offering has meant that we have also become industry-leading experts in the field of waste processing machinery.

Kiverco delivers high quality solutions with excellent customer service globally.

**The person:**

We are looking for an innovative, creative and practically minded Draughtsperson with strong attention to detail and communication skills. You will be joining an experienced and committed team in

a company focused on innovation in an industry with a bright future. You will have integrity and a fun, can-do attitude which will allow you to fit in with our well-established team. The ideal candidate will come from a mechanical background and have previous experience working with AutoCAD, Solidworks, or other 3D modelling experience, together with general pipework and steelwork experience.

**Criteria required:**

- HND in Computer Aided Draughting and Design
- Proficient in the use of 2D/3D CAD software
- Ability to produce detailed Engineering drawings
- Meet design requirements set by the customer
- Work within timeframes to ensure product is finished to the correct specification
- Maintain all correct documentation including design calculations
- Experience and capability with Microsoft Office including Excel, Word and PowerPoint and MS Teams
- A team player with an honest, dependable and supportive nature

**Desirable Criteria**

- Knowledge and experience of Solidworks

**Rewards & benefits**

- Highly competitive salary in line with experience/capability
- Hybrid working available (for suitable roles)
- Company pension
- Generous Company healthcare provision
- Learning & development opportunities
- Refer a Friend scheme
- Long Service Awards
- Generous holiday provision
- Other employee benefits
